Jeaneanne – Checking in with you on the level of detail for the notes we will share with the Seminole. This draft condensed summary aims to capture key concerns and due-outs from our consultation call with them on Monday, and I wanted to check in on the level of detail to see if this is on target re: your expectations. We expect to do further refining, but

~ Rosemary wanted to make sure it wasn't considerably over- or under-shooting the level of detail expected.
